New Purchase Commitment as Singapore Post moves to >100 Locker Bank deployment

TZ Limited (“TZ”) is pleased to advise that it has received a new purchase commitment from Singapore Post for the supply and deployment of 25 additional Locker Banks in Singapore, which will take the total number of POPStations supplied by TZ to 125 Locker Banks. Additional Locker Banks are also being scheduled for supply and installation later in the year.

Singapore Post celebrated the official launch of its 100th POPStation on Saturday 16th May 2015 and indicated in their press release that they plan to double the network of POPStations to 200 in line with customer demand.

About TZ Limited

TZ Limited (“TZ”) is a technology company that is listed on the Australian Stock Exchange. TZ is the leader in SMARt Device™ technology combining state-of-the-art SMA actuated intelligent fastening and locking devices with TZ remote software control. TZ’s systems deliver asset level protection and compelling solutions for security, monitoring and control applications across a number of market segments. The Company currently supplies market leading solutions to major corporations worldwide to the Data Centre industry and in the Automated Parcel Locker and E-Commerce market.
